1. Follow the rainboot trail

Draw a line from 1 to 10 by following the numbers in order. Finish by drawing a puddle below the trail.

Draw the puddle at the end of your trail.

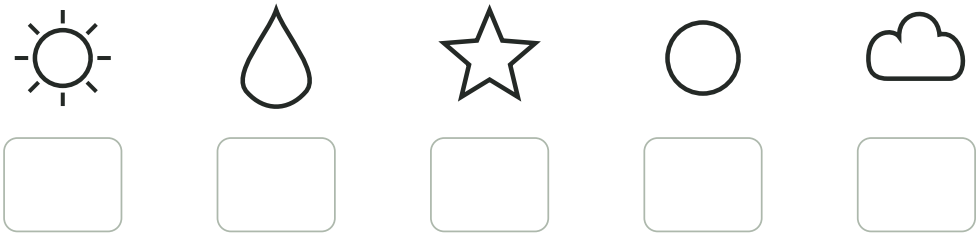

For ages 5–8. Print A4 at actual size, or use Fit to page for US Letter.

2. Crack the weather code

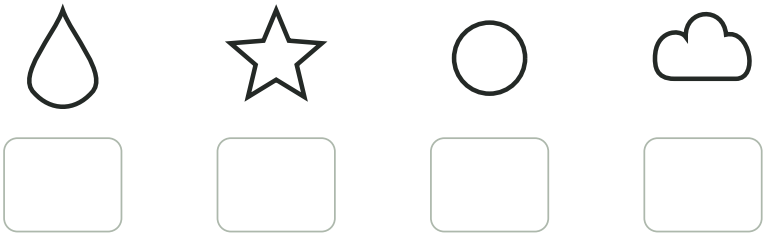

Write the letter that goes with each shape. Read the words you make.

1.

2.

Make your own three-shape code.

3. Pack a picnic basket

Read the clues. Circle one item for each clue so your basket has four things in it.

What should go in?

- ☐ Something you can drink.
- ☐ Something yellow you can eat.
- ☐ Something you can sit on.
- ☐ Something to wipe your hands.

Leaf	**Water**	**Toy train**
Napkin	**Chalk**	**Pencil**
Banana	**Drum**	**Ribbon**
Book	**Picnic mat**	**Toy car**

Draw one extra thing you’d take.

Answers for grown-ups

Encourage children to explain how they chose a path, solved the code or matched a clue.

1. Follow the rainboot trail

Start at 1 in the top row. Follow the numbers in order until 10 at the lower left.

2. Crack the weather code

The first word is CLOUD. The second word is LOUD. Their own code can use any shapes.

3. Pack a picnic basket

Water, banana, picnic mat and napkin. Their extra item can be anything they can explain.
